Dear Mr. Perricone:

Congratulations! On behalf of the members of the National Association of Home Builders (NAHB), we would like to recognize Safety Consulting & Compliance Corp. as the 2017 NAHB/Builders Mutual Insurance Company Safety Award For Excellence (SAFE) first place winner in the category of **Associate Member Safety Program of the Year**. We would like to thank you for your award winning efforts to ensure that home builders, trade contractors, and workers in the residential construction industry return home to their families and friends each day.

As you know, the goal of the SAFE awards program is to recognize the achievements of home builders and trade contractors who have developed and implemented high quality construction safety programs, as well as honoring other individuals and organizations who have made successful efforts to advance safety in the home building industry. Being recognized as a first place winner means that NAHB acknowledges your leadership and commitment to improve construction safety.

In preparation for the promotion of the SAFE award winners, we are requesting that each applicant submit **at least three** images (e.g., company/organization logo, photos of your company/organization construction safety activities) to be used for the SAFE Awards webpage and NAHBNow blog posts. Please send these high-resolution (preferably 1920 x 1080 or larger in JPEG, TIFF, PNG format) to safe@nahb.org by **Friday, December 22, 2017**.

Again, congratulations and thank you for your commitment to promoting safety in the home building industry.

Best regards,
