

## Testimonials

“I want to thank you and your staff for the outstanding job you did on re-roofing our latest project on Flagler Drive in Camarillo. Your assistance in value engineering for our roofing system, to achieve our long and short-term financial objectives, is very much appreciated.”

“Just a short note to compliment your service crew, we had previously had three different roofing companies attempt to fix our roof with no success. Your crew showed up on time, dressed in clean uniforms, and wore clean shoes to observe the leak pictures of our problem; water tested the area with a hose to insure success and did a perfect job cleaning up. I just want to express my sincere appreciation for the Awesome Customer Service, Given by Richie and his helper.”

“Your employees were very efficient and went right to work repairing two leaks. With the rainy weather these past weeks, we appreciate how quick you were to respond to our call. You are the BEST and we appreciated your kindness towards Sheridan House.”
