Reference: Green Oaks Junior High School
Arlington ISD
Project No. 9906.00

To whom it may concern:

Green Oaks Junior High School, located on 600 SE Green Oaks Blvd. is currently under construction with Mr. Matt Byrne as the Superintendent.

Mr. Byrne has been with the project since construction began in November of 1999, and has successfully kept the project on schedule. In our judgement, Mr. Byrne has been an excellent superintendent, providing exemplary leadership to the on-site effort, and in our view has earned the respect and loyalty of his subcontractors.

We anticipate a very successful project that will be a proud addition to the school district.

Respectfully yours,

Kevin E. Fornof
Project Coordinator
