Dear Matt:

The Library Foundation's Gala on May 1st was a great success. The crowd of over 350 enjoyed the view of work in progress and a preview of things to come. They were enthusiastic about the design and workmanship.

Turning a construction site into a banquet hall and ballroom is no easy task, but you did it. I know that regular work was interrupted, and that some of the light and bathroom fixtures were installed especially for the event. But, I assure you that it was for a good cause.

Thank you so very much for your extra effort in making the event such a success. It could not have been done without your hard work and willing cooperation.

It is a great pleasure to work with you in bringing this project to full realization.

Sincerely,

Gleniece A. Robinson
Library Director
