Miami, FL 33172

Dear Sir/Madam:

Please accept this letter of recommendation on behalf of Landscape Service Professionals Inc.

Landscape Service Professionals, Inc. was contracted to install a Florida Highway Beautification Council grant project on S. R. A1A in the City of Fort Lauderdale, Florida. They installed new landscape and irrigation in nearly one mile of existing medians in this highly visible corridor. They have also recently installed over 150 trees and palms along the streets and public areas within the City of Oakland Park.

Both of these projects had a one-year warranty period with quarterly inspections. Landscape Service Professionals Inc. also provided extended maintenance and watering of the trees for the City of Oakland Park.

In both of these projects, Landscape Service Professionals Inc. performed their work in a timely, safe, and professional manner. They were always cooperative and responsive to any changes or requests from the City staff. Both projects were very successful with the City of Fort Lauderdale project receiving a Community Appearance Award.

If you have any further questions, please do not hesitate to contact me. I may be reached at (954) 266-6469.

Sincerely,

Michael D. Conner, R.L.A.
Senior Landscape Architect
