Dear Tom:

As I have discussed with you in the past, Nob Hill Soccer has been given a Merit Award by the Florida Chapter of the American Society Landscape Architect's. The awards were given out this past Saturday at the annual awards banquet. I am pleased to present to you and your company the award and congratulate you on a well done job. I hope you display the award with pride because you have certainly earned it.

We look forward to working with you in the future.

Sincerely
