Dear Sir or Madam,

Congratulations again for receiving the prestigious Associated Builders and Contractors *Excellence in Construction Eagle Award*, recognition as one of the best contractors in South Florida. Your hard work, superior craftsmanship, and attention to detail, safety and project schedules have earned you one of the most widely acknowledged distinctions in the industry.

We hope you are taking full advantage of this local recognition in your marketing and bid submittals. Such prestigious awards can provide a competitive edge, especially in economic markets we find ourselves in today. An additional exclusive benefit of this local recognition is you now qualify to compete nationally for the highest honor in commercial construction.

What sports team who won their league or conference championship would NOT do what it takes to compete in the final game? So we encourage you to take your achievement to one additional level and complete the enclosed application for the ABC National Excellence in Construction Awards. Winners will be recognized in Washington, D.C. at the National Building Museum in June, before numerous Congressmen, U.S. Senators, government officials, ABC National Executive Board members and the most accomplished of your peers.

If you have any questions or we can be of any assistance, please let us know. Deadline for completing the application is January 31st.

Regards,

A handwritten signature in black ink, appearing to read 'Dan Shaw', is written above the typed name.
