ISSUED BY THE DEPARTMENT OF ENVIRONMENTAL QUALITY

Audrey O'Brien, Asbestos Manager
Northwest Region Office

Date

The contractor named above is herewith authorized to conduct asbestos abatement in the State of Oregon subject to the terms and conditions of Oregon Administrative Rules (OAR) Chapter 340 Division 248, including the conditions listed below.

1. The contractor must ensure that each worker performs asbestos abatement work in compliance with OAR 340-248-0010 through 340-248-0290 and other applicable state and federal asbestos abatement regulations.

2. Only those persons who have been properly trained and certified as workers or supervisors for asbestos abatement are permitted to engage in any asbestos abatement project conducted by the contractor.
3. A certified supervisor for Asbestos Abatement must be present at all times during full-scale asbestos abatement conducted by the contractor.
4. Notice of intent to begin an asbestos abatement project must be submitted to DEQ at least 10 days in advance of the start of each friable asbestos abatement project and at least 5 days before starting each non-friable asbestos abatement project the contractor engages in, subject to the provisions of OAR 340-248-0260. Each notification must be complete and accurate upon submittal or the notification shall be returned for corrections. Notifications and amendments must be submitted on current DEQ-approved forms. Forms and other information may be found at www.deq.state.or.us .
5. The contractor must allow DEQ representatives access to each project site and all pertinent records at all reasonable times for the purposes of making inspections, collecting samples, obtaining data, reviewing and copying asbestos abatement project records, inspecting abatement worker certification cards, and otherwise conducting all necessary functions related to this license.
6. Failure to comply with the conditions given above and/or fraudulent procurement of this license may result in enforcement action including license suspension or revocation.
7. **Request for renewal of this license shall be made on DEQ-approved forms at least 60 days prior to the license expiration date.**

****PLEASE BE ADVISED THE DEQ DOES NOT SEND A REMINDER NOTICE THAT YOUR ASBESTOS ABATEMENT CONTRACTORS LICENSE IS EXPIRING. A COPY OF THE APPLICATION CAN BE FOUND AT www.deq.state.or.us**

Re: 2018/2019 Asbestos Abatement Contractor License #FSC552

Dear Abatement Contractor:

Enclosed is your Oregon Asbestos Abatement Full-Scale Contractor's License for 2018/2019. Please read the license carefully. DEQ expects that you will continue to protect the public and the environment by observing the best asbestos work practices and following all the asbestos regulations.

If you have questions about notification procedures, asbestos work practices, the asbestos removal rules (Oregon Administrative Rules 340 Division 248), abatement work practices, worker certification assistance or licensing problems, please contact Susan Farland at (503) 229-5982.

For next year's renewal application, please find the Full Scale Asbestos Abatement license application on DEQ's website: www.deq.state.or.us. Please remember to submit your Asbestos Abatement contractor license renewal application 60 days prior to the date your current license expires to:
700 NE Multnomah St. Ste 600 Portland, OR 97232

Thank you for your commitment to protecting Oregon's environment. If you have any questions of me, please contact me at (503) 229-5072 or email me at obrien.audrey@deq.state.or.us.

Sincerely,

Audrey O'Brien
