CERTIFICATE OF ACCREDITATION

THOMAS PHOENIX INTERNATIONAL, INC.

2619B ROUTE 206
EASTAMPTON, NEW JERSEY 08060

Metal Building Assemblers MBA-101

has demonstrated that its assembly inspection program is in compliance with the International Accreditation Service, Inc., Accreditation Criteria for Inspection Practices of Metal Building Assemblers. (AC478)

The inspection program covered under this certificate is conducted in accordance with the assembler's management system manual which outlines the assembly and quality control procedures. Periodic field inspections are conducted to monitor the assembler's management system verifying continual compliance with the requirements as listed in the above scope of accreditation. Accreditation is limited to the inspections related to the assembly processes and procedures only. Accreditation does not cover the product or the specific design or performance characteristic of the assembly. The approved inspection agency for this facility is Architectural Testing, Inc., (AA-676).

This certificate is effective February 1, 2016 and valid up to January 31, 2017

This accreditation certificate supersedes any IAS accreditation bearing an earlier effective date. The certificate becomes invalid upon suspension, cancellation or revocation of accreditation. See <http://iasonline.org/More/search.html> for current accreditation information, or contact IAS at 562-364-8201

IAS is a subsidiary of the International Code Council.
