Earned A

## Master "10" Certificate of Quality

Dear Tony:

In recognition of the excellent workmanship and commitment to quality demonstrated by your crew, GAF is proud to present you and your team with the "Master 10 Certificate of Quality" award.

This certificate is presented only to those Certified Contractors who demonstrate a commitment to excellence and exceptional customer satisfaction by earning our highest quality roof installation inspection rating of "10."

We hope you celebrate this achievement - and proudly display this special award. Please use the space provided for the names or signatures of your crew so that they can share in the honor of this accomplishment. Once you have had the opportunity to personalize the award, place it in the enclosed frame and display it with pride!

Sincerely,

Helene Hardy Pierce
