To Whom It May Concern,

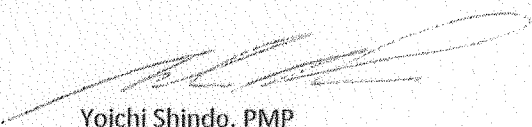

It is my pleasure to submit this recommendation on behalf of CRC Roofing, Inc. for their performance on the North American Mori Seiki Manufacturing Facility in Davis, CA.

We have found that the Owners and Employees possess the knowledge, ability and skill to install quality roofing systems. Our firm was pleased with their response time to inquiries and jobsite performance. We feel we selected the right roofing contractor and they were a pleasure to work with.

Based on our experience and their commitment to quality workmanship I can without hesitation recommend CRC Roofing, Inc. They continuously demonstrated a willingness to work along with our team to ensure the project's success.

Sincerely,

Takenaka Corporation (U.S.A.)
