

SOUTHWEST ARCHITECTURAL BUILDERS

November 3, 2014

To Whom It May Concern:

It is my pleasure to offer this letter of recommendation on behalf of your company, JRD Grading & Paving Inc. From start to finish JRD has shown diligence and dedication in providing us with competitive pricing, mobilizing in a timely fashion, communicating any unforeseen issues and progress and finishing the work on time. Your attention to the specifics of the construction as well as proper scheduling has been very remarkable, resulting in multiple jobs well done for SAB.

Currently, JRD has been nothing short of exceptional to work with on my most recent project in Cottonwood, commencing October 30th. Your staff's level of professionalism and knowledge has given my team great piece of mind.

Thank you again,
