Regency provides a very high standard of service to their customers. I manage my locations remotely, so it is very important that I am able to trust the information a contractor provides. I undoubtedly trust the information I receive from Regency: it has always been true and accurate. Their quotes are fair, service begins promptly, they meet their deadlines, and the quality of work provided is superb.

It has been a pleasure working with Regency. Robert has built a great rapport with Amegy Bank, and we will continue to utilize their services in the future.

Sincerely,
