Re: LETTER OF RECOMMENDATION for Regency Construction

Regency Construction was awarded construction work for our franchise restaurant named 'Great Wraps' last month.

Their quote was very competitive. The working style of Regency is appreciable. They are always in-time and communication is immediate. Quality of work is very good. All the staff is very friendly and understanding. Regency always listens to your requirements and tries very hard to fulfill it.

If you need to contact me for any matter, please contact me at amit@dshinc.us
