Dear Kevin:

ACS is one company that I require your services every year or two, but when I do; you're always on top of things!

In this day and age, it is refreshing to periodically call you (and you remember me!), tell you my timeframe for my latest painting project, you show-up and do a great job; it's so easy!

Our mobile hearing testing booths take quite a bit of abuse and aren't always available in the Twin Cities for painting. I certainly have appreciated how our booths look, wear, plus your ability to get to them!

In fact, after partnering with you for the past 6 years, I have another hearing booth requiring your services; you'll be hearing from me soon!

Sincerely,

**Bob Millier
President**
