RE: Boss Construction Inc
Bondability Letter

To whom it may concern;

Boss Construction Inc. has been highly regarded and valued client of Selective Insurance Company of America since 2017. We have supported the account with single bond requests up to \$2,000,000 and provide an aggregate limit of \$4,000,000 to handle their routine work program, with willingness to review and support bonds and work programs in excess of these limits.

Naturally, we would expect that the execution of any bonds would be subject to our normal underwriting criteria at the time of the request including, but not limited to, review and acceptance of the contract documents, bond forms, verification of the project financing, as well as the financial condition of our client.

Please note that nothing herein is to be construed as a contractual commitment to provide any bond, and Selective assumes no responsibility for any consequences of hiring Boss Construction Inc. without a bond. However, Boss Construction Inc has handled each of its projects in a professional manner and completed all work satisfactorily.

Selective Insurance Company of America is listed on the U.S. Treasury Departments list of acceptable sureties and is rated A XIII by A.M. Best.

Should you have any questions concerning this correspondence, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Nicole L. Howe". The signature is fluid and cursive.
