Re: Letter of recommendation for AGC

To whom it may concern,

It was a pleasure to work with Morgan Spake and the ACG team. Morgan and the entire team helped Drawbridge, Inc. with a full spectrum of services during an office move. AGC was able to provide efficient, timely and accurate services at a time of great need for our company.

Morgan was on site on a daily basis leading up to the actual project dates. Morgan was in direct contact with me whenever needed and was proactive in ensuring that all of our needs were met. Any issues that were discovered after the project was completed were met with extreme urgency.

Communication with the team was tantamount to our project being completed on time and correctly, and I am glad to say that Morgan and the team made themselves completely available to any and all request.

For all of these reasons and more, I would highly recommend the services of AGC for any of Drawbridge's future electrical, networking or cabling needs

Sincerely,

Andrew Burich
