To Whom It May Concern:

I would like to take a moment to comment on the J. Feldkamp Design Build company. This company has consistently met tough time constraints on our construction projects while the quality of their work has never suffered. Jon Feldkamp has always been prompt and has never dodged any tough issues. He has always handled every situation with class. He is a quality individual. I would highly recommend the J. Feldkamp Design Build company.

Respectfully,

Randy Reno, Vice President
