For 11 years, Interior Investments has hosted Aeron Hockey, an Aeron Chair Hockey Tournament which raises awareness & money for the Special Olympics of Illinois.

Each year, our Aeron Hockey Tournament draws a wide variety of attendees from our partners in the Architecture, Design, Construction and Real Estate community. Thirty-two teams from these firms gear up to play against each other for the grand prize “Aeron Hockey Trophy” and help money for the Special Olympics. For guests that registered early, attendance is free for spectators to join us for food and drink; to watch the action in the rinks; to purchase raffle tickets for amazing prizes like the Remastered Aeron Chair, a classic Eames Lounge and Ottoman, or one of three incredible trips; or scratch off some lottery tickets to win big bucks at the Special Olympics Illinois Lottery station.

There is NEVER a dull moment throughout the night! Between the impromptu dance parties outside of the rinks, or the players whizzing around within them, the Navy Pier Aon Ballroom is abuzz. Spectators can stand feet from the players and watch the action up close and personal. While the games last hours, there are breaks in the action to announce the awards and raffle winners, and most importantly to hand out trophies to our winners and present our donation check to the Special Olympics of Illinois.

The real winners though are our friends at the Special Olympics of Illinois.

Our annual tradition continues in February of next year and our planning and excitement has already begun. 2017 and 2018 were our largest years yet raising a combined total of over \$110,000 for the Special Olympics of Illinois. Our new website has just launched at www.aeronhockey.com. More information about Aeron Hockey 2019 will be posted throughout the year, along with the highlights from 2018—so check it out now and check back often.

We thank you all for your continuous and generous support. See you in 2019...
