

September 26, 2011 – Letter of Recommendation

I would like to take this opportunity to highly recommend Leonardo Pineda and Express Quality Painting. He and his crew just completed a large home paint project which included a 2-story Victorian-style home, a detached workshop, carport, picket and standard fencing, and carpentry work.

Leonardo is a man of his word and his crew is hard working. The project began and finished on time, his quote was very fair, and the caliber of work was top quality.
