### **“I will certainly tell all my friends!”**

*May 16, 2011*

**Shelley Ziegler, Waunakee:** “Thank you Made in the Shade for the professional blind installation you recently completed in my new Condo. I appreciate you taking the time to ask questions and listen before helping make the perfect selection. The extended cord on the high hallway window was a great idea and allowed me to have a functioning blind without motorization. I will certainly tell all my friends about your excellent products, pricing and service.”

The Graber 2 on 1 cordless CrystalPleat blind you recommended is the perfect complement for our room and our view. We were also surprised at how quickly and professionally you did the installation. Please let us know if we can recommend you in the future.”

### **“Outstanding Service!”**

*May 16, 2011*

**Jackie & Rick Troia, Madison:** “We wanted to take this opportunity to thank you for the **outstanding** service you provided with our new window treatments. The process was made so simple by your extensive expertise in the window treatment industry. The entire experience was quick, affordable and produces beautiful results. As you know we had previously made an attempt to “do it ourselves” and we were completely disappointed in the process and results. We highly recommend anyone interested in window treatments give you a call!”
