**Subject:** Refrence

To whom it may concern.

Watergate painting does an excellent job over all. We recently completed a project with JAA and Watergate Painting reviewed the specs and provided a competitive quote for the project. Watergate preformed all of the prep, painting, touchup and close out of their portion of the project very professionally.

It was a pleasure working with Darlene and Dave and we look forward to working with them in the future.

Thanks

**Danny Horne** | Project Manager
