

Dear Jon, Steve, Bobbi, Jane, Billy
and Jerry; Jim.

It is a great pleasure to
work with United Electric!
Jon, you have put together
a wonderful "family" of
professionals who are kind,
helpful, pleasant and really
care about doing a great

job for clients. We feel
fortunate to have such
a great group of people
working on our new
home!

Please let me know if
I can ever provide a referral
for new clients and I will
be happy to "sing your praises!"
Many thanks, Beth
