## **Awesome work and crew**

May 04, 2012 by Leslie

We used HDC to complete several aspects of our family room remodel. They did some electrical rewiring, recessed lighting, and fireplace tile, texturized and painted the ceiling and walls, installed a patio slider door and installed floor/door molding. The owners are great and easy to work with and their crew is awesome too. They have gone above and beyond to make sure we are happy with everything. We will gladly use them for future projects and recommend them to others.

## **Great Work**

I own several rental properties, as well as my own home, and I have used HDC for the past five years and I can't tell you how happy I am with the quality of work this company does. They have done everything from plumbing, painting, flooring and complete remodeling. Their prices are fair, but I am most pleased with the detail to everything, and making sure I am completely satisfied with the job. I am a real estate broker and have worked with a lot of contractors, and I am very happy to give HDC a 5 star rating.
