Date: September 16, 2014

To whom it may concern,

We would like let you know Best Quality Cleaners has been doing work with us for 2 years now and the quality of the cleaning is the best. The Owners walks are next to nothing because the cleaning really accents the quality of the units. They are always punctual, professional and their work speaks for itself. We have not had a single issue with the cleaning since we they have been on this site. The Name of the company describes them perfectly "Best Quality Cleaners".

Best Quality Cleaners has completed 212 units to date at the Arbor Park Apartments in Alexandria Va. and is currently scheduled to complete another 120 units.
