

BUCKINGHAM BROWNE & NICHOLS  
80 GERRY'S LANDING ROAD  
CAMBRIDGE, MASSACHUSETTS 02138

In October of 2013 I contracted with Turf Prep for the maintenance of our eight year old turf field. After treatment the field looked and played like it was newly installed. I have since had Turf Prep back to remove snow so we could begin spring practices and again their work was superb. I have also contracted with Turf Prep for their annual maintenance program for this spring and next fall. I continue to be extremely satisfied with their performance.
