Mr. David Rambhajan
Industria Inc.
2856 N. Campbell Ave.
Chicago, Illinois 60618

Dear Mr. Rambhajan:

Congratulations on being selected to attend the Veteran Institute for Procurement in Montgomery County, Maryland to receive training and certification on the government contracting process. I am pleased that Industria Inc. will be able to benefit from this opportunity to receive instruction that will enable your company to more effectively compete for business opportunities with the federal government.

It is important to me to ensure that our military veterans get the services and support that they have earned through their service to this country, both during and after they leave military service. Undoubtedly, Industria Inc. has prospered in part from the values, training, and determination that were instilled in you in the U.S. Marine Corps. I hope that participating in this program will help you to build on the expertise you have gained over the past nineteen years leading Industria Inc.

I wish Industria Inc. and you all the best as you build your business and seek opportunities to provide quality construction services to meet the needs of the U.S. government. Please do not hesitate to contact me if you believe that I can be of service to you.

Sincerely,

Luis V. Gutierrez
