RE: MRSE LLC dba Roth Southeast
Surety: Praetorian Insurance Company, A.M Best Rated A

To Whom It May Concern:

Per your request for evidence of bondability, this letter is to advise you that Thermal Concepts, Inc. is set up for bonding with Praetorian Insurance Company.

Our company has bonded Thermal Concepts, Inc. in excess of 15 years and have found them to be an outstanding contractor, with a good reputation in the construction industry. Based on their past experience, we have considered single jobs of \$5,000,000.00 with an aggregate program of \$15,000,000.00 but this should not be construed as a maximum program amount.

If Thermal Concepts, Inc. has a low bid acceptable to all parties, if adequate financing is confirmed, and if all other normal requirements are met, with surety approval, we look forward to providing a final bond on this project.

As this is a letter of recommendation, and not a bid bond, Brown & Brown of Florida, Inc., Praetorian Insurance Company, their agents and owners accept no liability for its content. The Surety reserves the right to review each submission and base their final decision upon conditions that exist at the time of request.

If we can be of additional assistance, please feel free to give us a call.

Sincerely,

A handwritten signature in black ink, appearing to read "James F. Murphy". The signature is stylized and cursive.
