Mark Bruscino, Director of Plant Operations
Douglas Ferguson, Supervisor of Plant Operations

June 4, 2008

TO WHOM IT MAY CONCERN:

Spartan Construction has recently worked on a masonry project at Roosevelt School for the Kearny Board of Education.

I am pleased to inform you that I would recommend Spartan Construction without hesitation. Not only did they work diligently but in a timely and very professional manner.

If you need further information please do not hesitate to contact me.

Very truly yours,
