Re: DMK Associates, Inc.

To Whom It May Concern:

We recommend, without reservation, that you consider DMK Associates, Inc for your civil engineering/surveying projects.

The School Board of Sarasota County has enjoyed a long and successful relationship with DMK. DMK has provided excellent service to the District on numerous school projects and we have been impressed with their professionalism and commitment to the needs of the District.

DMK is a part of the design team for the Booker High School Rebuild project currently under construction and we have enjoyed working with them on the project. Please call if you have any questions regarding our experience with DMK.

Sincerely,
