

To Whom It May Concern:

Working with Nick, Mike, & the rest of the Well's & West employees over the last few weeks has been a real delight. They were incredibly informative about all of the work they were doing, the schedule, etc. They were extremely responsive to any problems we had. Our offices were always cleaner after they left than when they started. We were satisfied with all of the work that was done; and would recommend them to anyone needing a remodel. It would be a pleasure to work with them again.
