Mr. Terry Florida
Midwest Construction Services of IL, LLC
9574 N. Industrial Drive
Saint John, IN 46373

Regarding: Village of Rantoul
Former CAFB Building #16
Asbestos Abatement

To Whom It May Concern,

I am writing this letter as a representative of the Village of Rantoul. I am the Director for the Building Inspection Department and as a result have worked very closely with Terry Florida and his crew from Midwest Construction Services of Illinois, LLC in the removal of asbestos from a building slated for demolition due to condemnation. The building was located within the Village limits on the former Chanute Air force Base.

The project commenced on or about March 15, 2010 and was completed to the Village's satisfaction on or about May 15, 2010. Midwest Construction Services performed the remediation services in a professional manner and the project was completed within the contracted timeline.

Respectfully,

Daniel E. Culkin
Director of Inspection Department
