Re: A-One Sprinkler Company

To Whom It May Concern:

Please let this letter serve as a bonding reference for our valued client, A-One Sprinkler Company.

Our experience with A-One Sprinkler Company has been excellent. We find this firm to be very well qualified, capably managed, well staffed and organized, reputable, cooperative, and extremely credit worthy. We are more than willing to consider providing bonds on any project that A-One Sprinkler Company may seek to obtain.

Our approval of such a request would be conditioned upon applicable underwriting considerations at the time of the bond request. This letter is not an assumption of liability. We have issued this letter only as a bonding reference requested by our client.

I trust this to be a satisfactory reference, but if additional information is needed, please feel free to contact our office. For your further reference, Ohio Farmers Insurance Company, a member of the Westfield Group, is a multi-line property and casualty insurance company founded in 1848, is currently rated "A" by A.M. Best; and combined with other companies in our group, has a Treasury Department single project qualification of more than \$200 million.

Sincerely,
