RE: Final Cleaning

I had the pleasure of working with Detail Dynamics last year on the Duval County Courthouse Project in Jacksonville, FL. I was responsible for managing their crew from both a production and safety standpoint and can attest that they are a very professional and quality outfit. The job was completed safely and as per the agreed schedule / scope of work.

As typical with most GC's, Turner requires a plethora of paperwork and safety documentation prior to sub mobilization on the job, especially in regards to elevated / suspended work. Detail Dynamics conformed with every requirement and provided the requested documentation with little push back.

Cid, their site Super, is very professional and great guy to work with. He met all daily expectations and ran an efficient crew.

I would absolutely work with Cid and Detail Dynamics on another project. Feel free to call with any questions.

*Best Regards,*

To Whom It May Concern:

It is my pleasure to recommend Detail Dynamics and Paula Hedden to every business looking for high quality, responsive cleaning service from a corporation committed to community.

I contacted the team at Detail Dynamics for a quote on a deep clean for our not-for-profit after school program in the Goldsboro neighborhood of Sanford, Sunshine Grove. Our program serves elementary-aged children from families living in poverty. After a visit to Sunshine Grove, Ms. Hedden committed to cleaning the building at no cost. She brought a team of eight individuals who spent a full day donating over \$1,000 in services.

A heart like Ms. Hedden's is rare, and the support of her incredible team, even harder to find. I was truly moved by her generosity. What's more, Detail Dynamics never treated The Grove as a "lesser-than" client. They remained responsive, punctual, and speedy. The Detail Dynamics team also delivered the best clean our building has ever received. The children couldn't believe their space. As one second grader commented, "It smells like flowers in here!"

By supporting businesses that go out of their way to improve our community, you become part of the solution and contribute to lasting change. Please don't hesitate to contact me if you have any hesitation about utilizing the services of Detail Dynamics.

Dear Pam,

We have completed the majority of the phased work at the Deltona High School HVAC Renovation. I would like to take the time to recognize the superior job that the staff and management of Detail Dynamics, Inc. has done.

Your staff has gone above and beyond our expectations of performance and competence. You have worked in a very safe manner and have gone out of your way to satisfy the needs of Volusia County Schools, Turner Construction, and to build strong satisfying relationships with everyone involved with the project.

I truly believe the successful completion of this project is well attributed to the efforts of Detail Dynamics, Inc. You are leaders in your industry and I commend you and your staff for a job well done.

It has been a pleasure to work with such a quality firm and we are looking forward to the successful completion of this project.

Sincerely,

Dear Ms Olson,

This letter is to applaud you for your efforts and commitment to our Shands Cancer Hospital at the University of Florida for your professional ability to do excellent work in performing and servicing our project.

This project is a 192 bed, 480,000 s.f. hospital for Shands at the University of Florida, Gainesville, which contains emergency, surgery, imaging, and perioperative departments, with a clinic for bone marrow transplant, patient rooms for intensive or acute care, support services and a new underground tunnel.

You have shown that you and your crew have responded and have the ability to do all assigned projects on a timely and professional level. This project has high standards and challengeable tasks. You have exhibited the type of the performance that is parallel to our commitment of excellent service for the owners.

This is to compliment you on the high quality of work for our project for quality commitment and service at the University of Florida.

Sincerely,

Williams Company-Southeast Project No.08202

Dear Ms. McBride,

We want to take the opportunity to express our gratitude to you and your team for their performance on the Merritt Island Target Remodel Project. This project provided many challenges and obstacles along the way as most remodel projects do. Your team rose to each challenge, providing a project we can all be proud of.

As you may be aware, Target Corporation grades each project at turnover based on the following criteria. One point is awarded for each of the following items that are complete.

<u>Item</u>	<u>Score</u>
On-Site Construction Completed-	1
Off-Site Construction Completed-	1
Signage Completed-	1
Building Exterior Completed-	1
Building Interior Completed-	1
Fixtures Completed-	1
Certificate of Occupancy Received-	1
Punch List Completed-	1
All System Complete-	1
Store Team Happy-	1
<b>Total</b>	<b>10</b>

As a result of your hard work and dedication to get the job done and done right, we were fortunate to receive a highly-coveted perfect "10" from Target Corporation.

Thank you again for all of your hard work. We look forward to working with you again in the near future.

Sincerely,

I am very pleased to write this letter of recommendation for Detail Dynamics. Pam Olson along with her staff at Detail Dynamics has done several projects with my team at PCL. This company has proven to be a trustworthy company that puts the projects goals first. They have the staff that can communicate with knowledge and capabilities that have proven to be an asset to our team work on each and every project.

Detail Dynamics is currently working on our project at the Amway Center Parking Garage and has completed other projects such as Mt. Everest at Animal Kingdom, Orlando World Center Marriott Exhibit Hall Expansion and the Medical Office Building at Florida Hospital Kissimmee. They are a dependable and knowledgeable staff of people that I would recommend for any project, we appreciate their help and efforts in accomplishing a job well done.

Sincerely,

To whom it may concern,

My name is Kara Bass. I'm with McDonald Development Company. Detail Dynamics has been cleaning our vacant spaces and performing miscellaneous exterior cleaning in Orlando, Florida and Sanford, Florida since the summer of 2010. We have four warehouses totaling 450,900 square feet. Each month Detail Dynamics dusts, mops, and cleans the vacancies so they are always clean and smell nice for potential tenants. Furthermore, they pressure wash the building exterior as necessary and wash the windows twice per year.

Detail Dynamics is really our one stop shop for any building cleaning, interior or exterior. We are very pleased with their services and are looking forward to several years of impeccable service from them.

We would highly recommend Detail Dynamic to any company looking for fast, friendly cleaning services.

Sincerely,

Kara M. Bass, CPM®
