RE: Oviedo Medical Center  
8300 Red Bug Lake Rd.  
Oviedo, FL 32765

This letter is to show gratitude to Detail Dynamics of Florida, Inc. for the effort and commitment to the Oviedo Medical Center project exhibited through performance in completing contracted scope, and partnering with Layton Construction to go above and beyond initial bids to satisfy demanding requests from the building owner.

The new Oviedo Medical Center is designed to provide enhanced care for the community and will be an asset for the City of Oviedo. This facility will include an ER department which will provide 24/7 emergency care, medical and surgical inpatient units, intensive care, cardiac catheterization, inpatient and outpatient surgery, women's services including labor and delivery and a dedicated caesarian section operating room, cardiopulmonary services, comprehensive diagnostic imaging, and physical, occupational, and speech therapies.

Detail Dynamics of Florida, Inc. demonstrated that their supervisors and crews have the ability to mobilize quickly and complete all projects in a timely and professional manner. This project had high standards and challenging tasks which were met with excellence. Detail Dynamics of Florida, Inc. exhibited the type of performance that is parallel with our commitment of excellence to our clients.

Layton Construction, and I personally, look forward to the opportunity to work with Detail Dynamics of Florida Inc. in the future.

Sincerely,

Jonathan Byrd Signature of Jonathan Byrd
