Dear John:

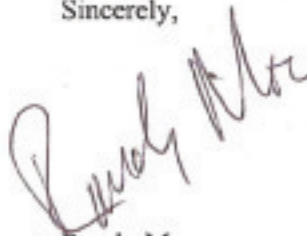

As a result of the outstanding workmanship and professionalism that your firm has shown while building our new 68,000 sq. ft. facility, we feel compelled to forward this letter of recommendation.

Your on-site supervision and dedication to finishing our renovation ahead of schedule has made our relocation relatively painless. As always any relocation is painful, but working with your firm as a construction manager has made my staff's work easier.

Again, I would like to express our gratitude for the outstanding project you have completed for us and look forward to working with you as our construction manager in our relocation of our store in Ft. Lauderdale.

Should you desire me as a reference, please, do not hesitate.

Sincerely,

Randy Moore
Branch Manager
