Mr. John Di Pompeo:

Please allow this letter to express my appreciation to the Di Pompeo Team for doing a fantastic job on the \$8,083,517 Sheridan Park Elementary Cafeteria and Classrooms. Even with the unforeseen conditions Di Pompeo Construction was able to manage and perform three different phases of work in a timely manner and within our budget. Your staff's knowledge and professionalism was a contributing factor to the success of this project while keeping in mind the children's safety. The quality of workmanship that Di Pompeo and their subcontractors provided was outstanding. Your staff worked well with the Architect/Engineer and school staff to construct multiple new buildings as well as handle 80,000 sf of interior renovations with fire sprinkler retrofit while staff and children were present.

Thank you for being a team player throughout the entire project and I look forward to working with the Di Pompeo Team again in the future.

Sincerely,

Lee J. Davis
Project Manager
