Re: Deerfield Beach High School Nursing Center
Project 1711-97-01

Dear John:

This letter is being sent to you to commend you and your company on the workmanship and team effort that your personnel demonstrated while building the Deerfield Beach High School Nursing Center.

Your supervision, scheduling and follow through made the job a lot easier to keep on track to completion.

This high-tech facility not only had nursing facilities, but also a dental clinic, which concerned me when it came to being extremely perfect with MEP layout. I must admit this is the first job that I have ever seen a contractor get all his piping perfect in the first attempt.

Thank you for taking the pain and worries out of this construction project. I look forward to another opportunity to work with you and DiPompeo Construction in the future and I wish you and your company good luck on all your endeavors.

Sincerely

Sheldon Dashi
Project Manager
Deerfield Beach High School Nursing Center
