RE: BONDING APPROVAL

Dear Mr. Wright-El:

As your bonding agent, please note that you are bonded by a subsidiary company of CNA Surety, Western Surety Company, a 570 Circular listed US Treasury approved surety. While each project is approved on its own merits, you have the ability to bond single projects up to an amount of \$350,000.00.

We welcome the opportunity to execute the necessary bonds provided they meet the current underwriting guidelines and the contract provisions are acceptable to both you and CNA Surety/Western Surety Company. For future bonding requests, please complete the bond request data and bond form data on the attached form and return to our office.

If we can be of service or should you have any questions, please feel free to contact us.

Sincerely yours,

Stacey L. Nash
