Re: Sea Village Condominium Renovation
1111 Seacoast Drive
Imperial Beach, Ca 91932
Permit No. 05-369

Dear Mr. Kalisvaart:

You drew plans for the renovation of the 60 unit Sea Village Condominiums at 1111 Seacoast Drive by removing the false mansard roof and replacing it with a molded classical cornice by Foamation Inc. along the roof line. I have found your design to be very impressive. I would like, with your permission, to send a copy of your design (attached) as an example to other developers who apparently don't know how to make attractive improvements to their buildings. In fact, I have attached your title block so that they may contact you as an architectural referral.

Thank You
Sincerely,
Jim Nakagawa, AICP
