Dear Mr. Allan,

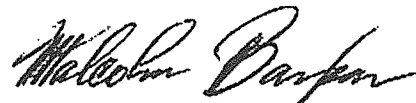

We again compliment Your dedicated, hard-working, diligent crew for successful screw-piles installations in Willis Ave. Shopping Center, Albertson (Nassau County) N.Y. 11509; during the past 2 days, and previously in October, 2014 For J. C. Broderick & Assoc. Explicit compliments for :

Mr. Nigel Braithwaite + Mr. Tom Helnn + Mr. Keith Minter.

They were diligent, and personally concerned that piles are installed per engineering spec's; to achieve design bearing capacity.

So far, my experiences with your pile driving crew – in Southampton last Summer – plus these expert installers in Albertson, was extremely positive .
Plaudits to them, Recommend a bonus arrangement !

Congratulations,

Malcolm I. Barkan, P.E.
