

MAIN STREAM ASSOCIATES, INC.

Fire Protection Systems
Design • Installation

February 24, 2017

Main Stream Fire Protection has been an active member of The Blue Book Network since 2005.

This is the only way we market our company which keeps us in the forefront of the hot projects in the Mid-Atlantic region.

Over the years, we have successfully been awarded numerous projects with Great Companies because of our program with The Blue Book and we look forward to our continued relationship.

Sincerely,

Steven Curtis
