Re: Compton Bassett Chapel Letter of Recommendation

Dear Brian,

It is my great pleasure to write a letter of recommendation for Brawner Builders for the Compton Bassett Chapel Restoration project.

The Compton Bassett Chapel, owned by Maryland-National Capital parks and Planning Commission, was an exquisite repair and renovation project. The entire team, but especially you and Brawner executed a very complex and worked diligently to preserve the significant historic fabric of the Compton Bassett Chapel. Exposed to the elements for months, Brawner worked to protect as much historic fabric. Out of plane walls, deteriorated bricks and embedded bond timbers made masonry restoration especially challenging but you and Brawner continued to use collaborative project management to ensure a remarkable restoration of the significant historic structure.

Best regards,

Davis A. Buckley, FAIA
