Dear Ms. Tiffany Putnam:

The City of Columbus, Equal Business Opportunity Commission Office has approved your application as a Certified Minority Business Enterprise. This certification is valid for two years. Upon the expiration of your certification, a re-certification application must be completed and returned for continued participation.

The certification program provides assistance with bidding opportunities within the city's procurement process, educate businesses, maintains a database of certified minority businesses for city agencies' needs and publishes an annual directory which is updated monthly and can be viewed at <http://eboco.ci.columbus.oh.us/>, under the Certified Businesses link. The directory lists all certified businesses with a brief description of what each business does.

Enclosed is a copy of your 2 year certificate. Thank you for participation and interest in doing business with the City of Columbus. If you have any questions or need assistance, please contact our office at (614) 645-4764.

Sincerely,

Tia H. Roseboro
