RE: Omar Mauricio

I just wanted to take a moment to express our appreciation for the help we have received from Omar Mauricio. Omar has helped us greatly with our most recent project, located in Brawley, CA. Brawley has been a very difficult location to find good available sub contractors. The last few days I have received many good contacts through his "Direct Referral" and we are already receiving bids. We are excited about our meeting with Omar tomorrow where he will share his knowledge regarding Bid Scope and helping us with project leads. It is very rare, to come across such professional and knowledgeable people like Omar.

Sincerely,

A handwritten signature in black ink that reads "Wanda Dablin".
