Tammy

So they have not issued a number yet but, I think you can go ahead and send me the invoice and I will send it through with the p.o. number when I receive it. By the way the crew was great and my employee that worked with them said he wanted to give them a high five for their great work and he said that Mike showed him a lot of things on the video. I also wanted to ask if you would be in Victoria for the southwest Regional school. We still have booths for rent.

Thank you,

John Krause
