*Building your future...*

**“The Blue Book literally built my business!”**

**-Les Barabas, Owner**

To Whom It May Concern:

I began advertising my company, **Complete Drywall Interiors, Inc.**, in The Blue Book back in 1999.....I can honestly say that The Blue Book literally built my business, and I may not be where I am today if I hadn't joined The Blue Book Network.....

I work very hard, and in today's commercial construction environment, I have to bid several jobs each month....That's why I am glad The Blue Book provides me with more than enough projects, Public and Private, Large and Small, to bid. I have made some very strong contacts that have turned into lasting relationships because of The Blue Book Network.....

I can recommend The Blue Book to anyone who is willing to work hard, and wants their contracting business to grow and succeed!

**Thanks, Blue Book!**
