

To Whom it May Concern:

Lee Casseday with The Blue Book Building and Construction Network has been very helpful throughout the 2012 season. Whenever I need to get a bid on a project where I do not have a strong network of contractors, Lee gets me bids in a timely fashion. Lee is a go-to with a strong network of contractors who helps me keep costs down by providing competitive bids on both my competitive service agreements and construction projects.

Sincerely,
