Dear Mr Azolin:

The Office of Small Business Development of the Greater Orlando Aviation Authority ("the Authority") has reviewed the application and supporting documentation submitted on behalf of Deiger Service Corporation DBA Superior Fire to determine whether the entity is eligible for certification as a Minority/Women Business Enterprise (MWBE).

I am pleased to inform you that your company has been certified as an M/WBE under the Authority's M/WBE Policy.

Please be advised that this certification is not equivalent and should not be construed as certification under the Authority's Disadvantaged Business Enterprise Policy promulgated pursuant to the Department of Transportation's regulations, or the Authority's Local Disadvantaged Business Enterprise policy.

Your company's certification as an M/WBE firm with the Authority will be effective through July 23, 2018 unless there is a change in the ownership and/or control of the company at which time you are required to submit information with respect to the change. The Authority reserves the right to reaffirm or deny the certification of the company based on this new information.

For re-certification at the end of the three (3) year period a new M/WBE Application must be submitted. The application must be submitted sixty (60) days prior to expiration of your current certification. You may download a copy of the application at <https://goaa.diversitycompliance.com/>.

Congratulations on your M/WBE certification. Please contact our office at 407-825-7171 or mtatom@goaa.org if you have any questions or if we can be of any assistance.

Sincerely,
