Dear Angelo Salamanca,

I want to thank you and your company for the exceptional work you completed at my home. The free estimate for the work was less than what I had been quoted by competing companies, was completed in a timely manner, and looks fantastic. I was very comfortable with Mr. Salamanca in my home because he was professional, respectful, and considerate. I especially liked the pride that he took in his work and keeping the work area immaculate. I would recommend Angelo Salamanca of Fundisa Restoration Company Incorporated for all your home restoration needs.

Sincerely,

Kelly Johnson
